

Dear

Please explain why the NHS has too few doctors, nurses and midwives?

Please explain why you voted for the Health and Care Bill?

Please explain the lack of provision in the bill for emergency care as a right?

Please explain why it does not address the issues in mental health, maternity and social care

Please explain why this huge reorganisation is happening during a pandemic.

Please explain the social care cost cap which will hit our area so much harder than richer areas

This is on your watch, your responsibility

Please explain how you will monitor the effect of this soon to be

Health and Care Act *on our constituency*

Please set up an effective system for constituents to lodge their complaints about lack of treatment and pressure to pay

We have paid for decades for the NHS. We deserve better than this.

I intend to keep your replies for the next election
